

Christmas-at-Sea

A Holiday Initiative of

Seafarers International House

SEAFARER'S SCARF

The original seafarer scarf worn the world over!

Pattern and instructions courtesy of *Seamen's Church Institute (SCI)*.

MATERIALS Approx. 300 yds. worsted weight yarn

US size 6 or 7 needle (or size needed for gauge)

GAUGE 5 st = 1"

Finished measurements:
approximately 6.5" x 46"

Cast on 32 stitches.

Knit even for 14"

K4, P4 for 18"

Knit even for 14"

Bind off with medium tension, and
weave in all ends.

Tip: slip the first stitch of each row
purlwise to neaten the edges.

Note: The 18 inches of ribbing will make the neck of the scarf narrow looking. This makes the scarf denser and warmer around the neck without adding extra bulk.

Include your creation in a satchel or mail it to the address below. If you need to receive empty satchels or to coordinate delivery or pick up, please contact:
